**USF (Universal Service Fee)** - This a federal tax designed to ensure affordable access to telecommunications services for telephone customers with low incomes, telephone customers who live in areas where the cost of providing telephone service is extremely high, libraries, schools, and rural healthcare providers. The Federal Communications Commission (FCC) adjusts this tax rate quarterly. Your monthly bill may increase or decrease as a result.  
**RRF (Regulatory Recovery Fee)** - A fee of \$2.50 will be charged monthly to offset costs incurred by Vocalocity in complying with inquiries and obligations imposed by federal, state and municipal regulatory bodies/governments and the related legal and billing expenses. This fee is not a tax or charge required or assessed by any government. The Regulatory Recovery Fee will apply to every phone number assigned, including toll free and virtual numbers.  
**E911 Fee (Emergency 911)** - The Federal Communications Commission (FCC) requires that Vocalocity provide Emergency 911 services, and allows us to charge a recurring monthly fee that is used for next generation costs required by the FCC for supporting computer software and hardware upgrades to all public safety answering points (PSAP) to send assistance to the registered location of the 911 caller. The \$ .99 e911 fee will be charged for each Unlimited and Metered Extension and for each Secondary Line Appearance with a US service address.  
**Other Taxes** - Prices for the monthly services and one-time fees do not include any customs duties, sales, use, value added, excise, federal, state, local, public utility, universal or other similar taxes. All such taxes will be added to any amounts otherwise charged to you unless you provide Vocalocity with an appropriate exemption certificate. If any amounts paid for the monthly services or one-time fees are refunded by Vocalocity, applicable taxes may not be refundable.

**Additional Notes:**

Calling plan includes: Virtual Receptionist routing, web portal interface, directory listing (411), caller ID, call waiting, call forwarding, call hold, call transfer, call logs, do not disturb, cell phone integration, softphone support, follow me, music on hold, voicemail, voicemail to email, etc...
